Strawless Summer 2018 Restaurant Owner/Manager Survey

Surfrider's Eastern Long Island Chapter is collecting information about the use of plastic straws with the ultimate goal of making alternatives more approachable for restaurant owners. Please help the chapter out by filling out this quick survey! We respect your Privacy. Answers given will not be shared.

1. If paper straws were cost effective and economically available, would you be willing to use paper straws instead of plastic straws?

Yes

No

We already use paper straws!

Other _____

2. Would you be willing to provide paper straws only upon request?

Yes

No

We already provide paper straws ONLY upon request!

Other _____

3. How many boxes/cases of straws does your restaurant use PER YEAR? Be as specific as possible.

4. How much does it cost per case of straws?

5. What time of year do you place your order for straws? (all at once in winter, monthly, as we need them? etc?)

6. Would your restaurant consider going completely strawless?

Yes

No

We are already completely strawless!

7. If not, please tell us why and what your objections are.

8. For the purpose of contacting vendors to see if they carry alternative options, would you be willing to share the name of your supplier?

9. What restaurant do you work for?

10. Here is your chance to voice any comments, questions, opinions about Strawless Summer. If you have any particular inquiries you'd like us to investigate for you, go ahead and ask us and we'll do our best to get you the information you need!

11. Leave us your name and contact information here if you'd like us to contact you with price comparisons for alternatives to plastic straws!

Thank you so much for contributing to our survey. Your contribution is very important to us!
